Hourly run on rate for additional time, waiting, standby, pushing	£1,750
Environmental Levy	17.5% of Tariff

B. Rig Moves or Other Specialist Vessels/Structures, Per Tug Basis 60 tbp +

Mob/Demob = £23,400 (inclusive of fuel)

Daily hire = £10,275 or pro rata, minimum hours 24 hours (excludes fuel and port costs)

C. Project Work

For towage or for specialist moves or rigs, or other work beyond harbour limits, or salvage, firefighting, anti-pollution work etc, price on application.

Towage Terms & Conditions

1. All towage and other services of whatsoever nature are conducted under the United Kingdom Standard Conditions for Towage and Other Services (Revised 2024).
2. The time included in the berthing, shifting and sailing rate is 2 hours from the time the tug is booked until the tug is dismissed. The run on rate per hour will be applied thereafter.
3. An environmental levy will be applied to the berthing, shifting and sailing rate.
4. In the event of a cancellation within 12 hours for the towage services previously ordered but not employed, a full charge will be levied.
5. Excludes all port costs if incurred.
6. Damage to tugs' hawsers, in excess of ordinary wear and tear, will be charged to the Hirer.
7. Invoices shall be paid within 30 days of invoice date. Interest shall accrue on any sum not paid within 30 days of the date of the invoice, at 5% over the Bank of England base unsecured lending rate from the date of the invoice until payment.
